Thanks, Byron. I completely understand about not having much to say at this point about what's coming up.

Karl, can you or David join us on Feb 28 at 1:30 pm to talk about the CA waivers?

Thanks!

David Dickinson remains the lead staff attorney on the waivers and now works for Karl. I have copied Karl on this note to extend your invitation to his team.

We have lots of ideas for things we want to do, but until we have a new AA I wouldn't presume to guess which ones will go forward and which will sit. Much of my focus right now is on the light-duty diesel issues, but frankly the press coverage is more detailed than I can be at this point of our work.

you or a member of your staff join our committee call on Tuesday, Feb 28 at 1:30 pm to talk about this?
